## TUCKEROO IS BACK!!

BY HARRY M

Each Friday at snack time the children of Abbots Green get a taste sensation. The selection of Popcorn, Raisins, Mini Cheddars and Breadsticks. All the money raised goes back into the school.

It's been awhile since Abbots has had tuck due to the pandemic and keeping the virus at bay. All the children I spoke with were delighted to see it back, some had other things to say.

George M a year 3 pupil said "I like the tuck shop but unsure on some of the food choices. Palm Oil People!! Think of the Orangutans." Year 3 have been learning about the rain forest and this has obviously been playing on George's mind. What's your view do you agree with Year 3, will you still choose tuck?

A fantastic variety to choose from here when it comes to tuck time at Abbots Green. Alongside this amazing selection you still have the choice of fruit and vegetables and if that doesn't bring you happiness then why not bring your own snack in from home. Another pupil Ralph M year 1 said "I love tuck; the popcorn is my favourite"

From my research into tuck it is clear more pupils enjoy bringing in the cash for a Friday midmorning Tuckeroo. Not only is it helping the school its perking up the pupils of Abbots Green with a great treat to the end of the school week. Great prices for great snacks. Even some Teachers are buying it. So overall I myself think that the good old Tuck Shop is a great treat for pupils an I am glad it has returned to Abbots Green.

So don't forget every Friday mid morning the Tuck Shop will be open for business so remember to bring in your 30p.

## COOL CLUBS AND HOLIDAY CAMPS

It has most certainly been a great year for Abbots Green Academy. We have all come back to school stronger than ever before. Mr Newson (Abbots Green's amazing PE teacher) has been holding holiday camps for the children of Abbots Green to enjoy during their break from learning.

He has been holding epic sports camps for kids to experience and play a variety of different sports and he has been holding theatre camps where the children put on an amazing show that includes acting, singing and dancing.

Alongside that, he has been holding a sports club on a Friday night after school! Children are loving it. One child that goes to the club says "I love the sports club. It's so fun!" Mr Newson holds a variety of different clubs and camps for all abilities and age ranges so why don't you book yours now?

## SPORTS DAY IS BACK!

BY MOHIB

Finally, after a year of hardship and discontent, sports day has returned, more breath-taking and arduous than ever before. Organised by Mr Newson, the varied events are challenging and are designed to push you. In addition, some of the events are team events where both classes of the same year will go head-to-head for the victory.

For the higher years, a more demanding routine has been set to enable each child to strive and persevere. As you go along, you will receive a sticker to certify that you have completed an event or "country" for your "passport". To top it all off there is a series of track events including a 50m sprint, 150m or 350m marathon where you compete against your rivals, during these events it is every person for themselves. In conclusion, the all-new sports day is the occasion we are all looking forward to.

## IPADS FOR YEAR 5

At Abbots Green primary, the year 5 Children were so excited as they had iPad's in their classroom. One of the children exclaimed, "my Ipad helped me with my learning, it was easy to use and fun to have in the classroom". Their teacher Miss Thurlow thought that they were a brilliant learning tool too "It's great to see the children so excited to learn when we use the Ipad's in our lessons"! It was clear to see that they were a successful edition to the class!

## EVERGREEN NURSERY TURNS 1!

BY HOLLY

Evergreen Nursery has been opened for 1 whole year. It only seems like 6 months ago we were opening the doors, how time flies by!

The Nursery is filled with so many fun activities and is so welcoming to every child from the age of 2 until they go up to Reception.

The Teachers are super nice. There is a lovely area outside for the children to play in with lots of activities out there as well. Please come along and see for yourselves and join the Abbots Green family.

# ABBOTS GREEN GETS A NEW SOURCE OF ENTERTAINMENT!

BY RILEY S

Abbots Green Academy is now very lucky to have a shed at the back of their playground called the Scrap Store Play Pod. This shed is full of various fun equipment and items for the children to let their imaginations run wild! This scrap store is open to all year groups and each year group gets 1 or 2 days per week to enjoy the scrap stores contents. Some of the items in this shed of wonders include:

- Walking frames
- Keyboards
- Carpets/Rugs
- Teddy bears
- Fancy dress
- Phones
- Crates
- Suitcases

The possibilities are endless! You could be a pizza delivery man or maybe a superhero saving lives.

You could make a den or maybe a hammock out of a net. Use your imagination and you never know where you could go!

**GO CHECK OUT THE SCRAP STORE ONLY AT ABBOTS GREEN!!**

# LIBRARY NEWS

BY LAYLA & CHLOE

As the new, colourful library opens children can't wait to go there and read interesting books. Along with this, there's a comfy sofa where you and your friends can sit and read as well as this there are cosy cubbyholes for you to curl up in with a book. This rainbow themed library is bringing excitement to the whole school as we all await the grand opening. Are you excited?

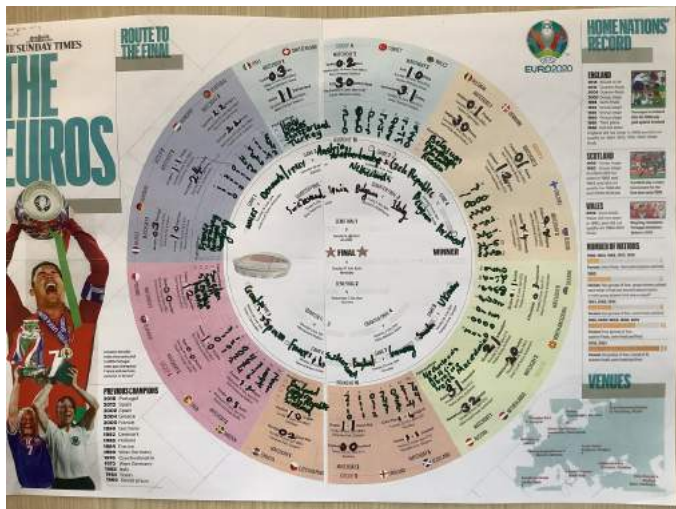

Read your way around the world. We may not be able to adventure around the world right now but you can always read your way around the world instead. With books that make you feel like you're in that culture and country.

# EURO FEVER HITS ABBOTS GREEN

BY MOHIB

As the final of the Euro 20, slowly dawns upon us we feel the pressure across the world and England prepares for what could be their most difficult season yet. Across Abbots Green, there is a tense atmosphere for the results and we have been keeping an attentive eye towards the outcome. Certainly, this season has kept us on the edge and we are all expectant but apprehensive for the end.

# MACBETH

BY RUBY & CHLOE

After a turbulent year, Russia and Norway classes have ended the year with a classic tragedy - Macbeth! We were all gripped by the manipulative Lady Macbeth and enjoyed the drama of the story line. Boys were captured by the fighting scenes while the girls were hooked by the power hungry female lead. We enjoyed reading and acting out the play and look forward to the next Shakespeare play we study. The debate continues whether Lady Macbeth is truly evil or is actually another victim under the witches beastly curse.
