

Everyday we come together to grow as individuals. We challenge ourselves and celebrate successes as we create our pathway for the

Wish you were here:

Don't forget about our rainbow challenges!

Create an adventure story for your favourite toy.

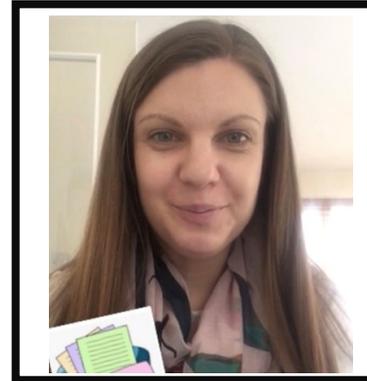

Interview a grandparent/older relative to find out about their childhood toys. Are they different to yours?

Collect some natural materials from outside, can you create a teddy bear out of your collection?

Go on a material hunt around your home – what can you find? How will you present your findings? (Try a tally chart).

Learn/practise the alphabet by singing a song or making a poster.

What's your most treasured toy? Write some sentences to explain why it's

Message from Miss Sparrow

Hello Finland class,

We wish we were all in the classroom together but while you are away try to keep up with your fantastic learning by having a go at these challenges.

As you complete the challenges upload them to our new class Showbie in the boarding pass folder.

We look forward to your safe return back to Finland!

Your return boarding pass to Finland

English– Use your phonics sounds to write some instructions for something you have made at home. They could be for your winter scene picture.

Maths– Practise counting in 2s, 5s and 10s, why not teach your family to play last man standing?

Reading: Try to read for ten minutes everyday. Can you sort your books at home into fiction and non-fiction texts? Which ones are your favourite?

Topic: in preparation for our next topic can you find out about different dinosaurs? Can you create your own dinosaur fact file? You could write about their diet, their habitat and their skills. You might like to create your own dinosaur top trump cards to play at home!

Outdoors/ Creative: Have a look in your garden and through your window, can you see the first signs of winter? Can you create your own winter scene picture?

Spelling challenge: can you create your own game to learn this week's spellings?
You could try: pictionary, charades or hangman.

Silver Birch

Phonics challenge:

Practise your phonics sounds using the real and monster words on Showbie.
