

# Can you complete this week's fine motor challenges?

Tuesday: Use your cutting skills to create a toilet paper roll troll. Don't forget to draw a smiley face. 😊

Wednesday: Find a thin twig and use it as a needle to thread leaves. See how many different leaves you can find on your walk.

Thursday: Make a paper airplane following this video.

Friday: Use playdough, stones, sticks and leaves to create a forest. Can you also make an animal out of playdough?

Monday: Use clothes peg or tweezers to sort out mixed pom poms or different shapes of pasta.
