

This week has been one of those weeks where as staff, parents and pupils 'we love Abbots Green!'.

To come together to celebrate Sports week is one thing, but this week, Mr Newson must take the full recognition and admiration for taking things to another level in partnership with our Friends Of Abbots Green who have fully funded many of these events.

From bounce boots, golf, inflatable football, dance or even trampolines- as a school community we have been empowered by fitness, fun and a great sense of belonging. To see our children smiling, challenging themselves but most importantly carving memories, is a genuine privilege for all to see.

As if the week wasn't action packed enough, it has been such a celebration of our rainbow values to see our Sports days in action. On a personal note, the epitome of these events, is often the races, where we see a reflection of our children growing as individuals.

What has been overwhelming this year, is the genuine encouragement that children give one another, the resilience that our children have, but as one child in Year 6 shared 'we have to go all out this year, we need to finish with a bang!'

For any good athlete, food is also a necessity!

This week, we have also embraced the opportunity to enjoy a Mexican Food Fiesta! Whilst preparing, cooking and eating a range of new foods, the smell of burrito bowls, guacamole, sweetcorn fritters and even tacos has been spreading throughout the school and even cooked alfresco on the playground!

Finally, as a school that loves to recognise the little things- amongst the joy that has been out on our field this week with Sport, we have discovered our very own Elderflower bush! As born explorers, we have followed a recipe to create our first batch of Elderflower cordial.

If ever there was a time to say 'cheers' to Abbots Green this is it!

Happy Sunny weekend.

Ready Steady June!

Parents Forum

Thanks for the time that Parents Forum found for our meeting last week. As a collective group, it was agreed that the revised Key Stage Two electronic report completed using our iPad skills, will be very well received. This is opposed to a pupil handwritten one. We look forward to receiving further feedback on this later this term.

PD Day reminder

Our School and Evergreen nursery will both be **closed on Friday 27th June**. This is due to staff training.

Class Photographs

On Tuesday 24th June, all classes will have their group photographs- school uniform must be worn by all classes.

Congratulations to Miss Ogg

Miss Ogg will be expecting her first baby in November- We're all thrilled to hear this exciting news.

New class names

Coming soon, Denmark, Portugal, New Zealand and Singapore class! Please see this mornings letter with our initial update on class arrangements for September 2025.

Attendance

Our Whole school attendance has improved from 96.1% last month to 96.5%.

At this time of year, we're aware that many of our families consider whether to take children out of school for family holidays, this is not encouraged and will not be authorised.

We strive for attendance in school, every day. With so many fun events and experiences happening each day we do not want our children to miss out. This month the class with the best attendance is Russia class with 97.1%

Gate Conduct

Please ensure that children remain supervised at the KS1 gate until a member of staff comes to meet them at the start of the day. Once children have parked their bikes and scooters they must remain with their parent.

Book Amnesty

We're currently looking to refresh our school library- initially we're aiming to replenish our stock by asking all families to please check for any library books that they may have at home, we're especially looking for our Bingo Books. As a school we have set ourselves a target of finding 100 books per key stage- together we can do it!
