

What's been happening this week

ABBOTS GREEN ACADEMY

September 2019

Dear Parents/Carers,

Welcome back and Welcome!!

With week one under our belts, I would like to officially warmly welcome everyone back to school. The children have come back to school looking exceptionally smart and ready to learn and are full of enthusiasm and positivity.

It has been a pleasure to welcome our new nursery and reception children to Abbots Green as well as new families throughout the school. Our Reception children have frequently been spotted exploring their classrooms with inquisitive minds and smiling faces, and have already made an appearance joining the school for their first singing assembly!

The school has already started to buzz with excitement as we also welcome new staff and start to learn about their new topics and classroom routines. Next week, we look forward to electing our new house captains for 2019 ready to lead their teams through a fun packed year ahead.

Already within just a week, we have had a visit from a Paralympic Boccia player who has inspired our Year 3 children to believe in themselves and never give up on their hopes and dreams for the future.

As if this is not enough, the ongoing manoeuvring of trucks, lorries and mixers fascinates us all! As one child said 'Can I use my gold card to help with the building work?' We are thrilled with how quickly the building work is developing and would like to thank you for your support with helping us carry on as we always do!

Let's watch this space with a very exciting year ahead!!

Happy weekend!!
