

Abbots Green Academy

PE and Sport Premium

Each year the school receives a PE and Sport Grant from the Government.

At Abbots Green we support all our pupils and aim to use this money to improve the quality of the PE and Sport activity we offer to our pupils. PE and sport is very important to us at Abbots Green Primary and we pride ourselves on promoting physical activity, both within our PE lessons and during lunchtime and afterschool activities.

The PE and School Sport premium from the government has been greatly received and we plan to use the funds wisely to foster the children's lifelong love of sport. Within school we have an action plan outlining how we wish to use the money, baseline data we are collecting and evidence to show the positive impact of this funding.

Number of pupils and PE and Sport Grant received	
Total number of pupils on roll	358
Total amount of PE and Sport funding received	£19,520

Use of Funding 2019/20
<p>The funding received from PE and Sport funding has enabled us to:</p> <ul style="list-style-type: none">• Continue to be a member of the Bury School Sport Partnership which has involved an increased participation in school competitions, staff CPD as well as children taking part in sports leader workshops.• Continue to provide the range of extra-curricular sports activities including Netball, Tennis, and Multi skills, Dodgeball, Girls football and Bike Ability.• To ensure that children have access to appropriate equipment needed for PE curriculum.• To ensure all children are given the opportunity to attend competitions and tournaments.• Raise the profile of competitive sports across the school and beyond.• Provide children with more opportunities to participate in sport and physical activity, both on school site and at the feeder secondary school.• PE co-ordinator monitoring children who attend after school clubs and take part in competitions, and encouraging those to particularly be active at playtimes.• Introduce new sport or other activities to encourage more pupils to take up sport and physical activities.• Enter more sport competitions• Prepare children for upcoming competition9• Increase pupils' participation in the School Games.• Embed physical activity into the school day through active playgrounds.• Provide leadership opportunities for children – sports leaders.• Partner with other schools to run sports activities and competitions.• Embed the PE curriculum to ensure there is clear progression and challenge throughout the school.• Develop cross curricular links across the curriculum to ensure all children are active learners.• Use physical activity to support specific children in the classroom.

- Supporting Sport Relief

Impact of Pupil Premium Grant Spending 2018/2020

The funding has allowed us to see an improved sporting performance, increased participation and better promotion of health and well-being.

We have developed PE provision further and embedded the scheme of work for current and new staff. This now includes planned intra-school competition for all children, each term. The school have provided an increased amount of opportunities for children to enjoy sport, both competitively and also to develop their individual performance. We have competed against each other, in school, and many children have had the opportunity to represent the school in a variety of events through the Bury Sports Partnership, School Games and our own organised fixtures. We were able to enter all but one of the events run by BSP.

We are still committed to the daily mile, however, building work has made this challenging. We plan to refresh this next year. During Lockdown we encouraged children to take part in a virtual daily mile and provided fitness challenges every Thursday. All children also completed some sort of Sports Day activities.

We took part in Sport relief with our own 'Danceathon'. We raised money and some children got involved by providing routines. This gave children an insight into another fun way to exercise.

Specific children have been invited to join a new Gym Trail programme. These children have developed their confidence, concentration, processing & responding to instructions, balance, hand-eye co-ordination and memory. Staff have been impressed with how far they have been able to challenge these children.

We have continued the sports leaders programme to support activities during lunch time to enable children to be active and enjoy sport during their lunch hour. This has also helped to develop leadership opportunities within school. Groups of year 6 children took part in sports leader training led by Mr Newson and then planned and led activities for other children in the school at lunchtimes, on a rota basis. This has meant that more children have been more active at lunchtimes.

Adult play leaders have continued to lead targeted groups, during lunchtimes. This has helped to encourage less active children to be more active through fun games.

Equipment has been brought this year to support PE lessons but also to support the break and lunch times to encourage children to be active.

2019/20

Use of Funding	Specific Objective	Measurement of Impact	Approx. Cost
BSP SSCO- Apr-Aug	To support BSP schools in CPD, organising competitions and providing specialist teachers to use.	School involved in wider opportunities across inter and intra sporting competitions	£750
Commando Joe (Y2)	To support children's physical and emotional well-being through physical challenges linked to the curriculum where possible.	Children have developed their resilience through many activities, being part of the team, performing challenges or having a leadership role and increased physical activity.	£908

Super Sports Coaching	Young leaders and gym trail 1 hr for 3 days/week to end of March 2020	Year 6 children are able to encourage and support other children in the school to increase their enjoyment and participation in physical activity. Individual needs are supported through gym trail intervention.	£1,560
Netball club (autumn term)	To enable more children to participate in extra curricular activities	Increase participation in netball club.	£374
Forest School provision	To extend opportunities to incorporate physical activity with learning outside of the classroom. (RC 1 day/week)	All children within school spend time learning outside whilst taking part in activities which challenge them physically increasing the amount of time spent doing moderate and vigorous physical activity.	£3,674
Lunchtime playleader	To extend opportunities for exercise into the lunch hour and to introduce new sport and other activities to encourage more pupils to take part in physical activities.	Children participate in Sport and exercise throughout their lunchtime.	£2,212

		Total spend 19/20	£19,313

Action Points for 2020/21:

- To refresh Daily Mile to ensure it continues to have maximum impact
- To ensure Long Term curriculum continues and be embedded (with staff changes) and Commando Joe is part of this
- To renew PE equipment and provide teachers with CPD, where necessary, to allow high quality PE lessons
- To ensure children are provided with a variety of extra curricular activities and taster sessions, which signpost them to local clubs
- To continue the Sports Leader programme and ensure active lunchtimes
- To encourage less active children to take part in sport
- To consider Swimming provision in light of Covid19

<p>Meeting national curriculum requirements for swimming and water safety 2019/2020</p> <p>Due to COVID-19, swimming which was planned for Summer Term was not able to go ahead.</p>	<p>School Percentage</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving Primary school.</p>	
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>No</p>
