

# Abbots Green Community Primary School

## PE and Sport Premium

Each year the school receives a PE and Sport Grant from the Government.

At Abbots Green we support all our pupils and aim to use this money to improve the quality of the PE and Sport activity we offer to our pupils. PE and sport is very important to us at Abbots Green Primary and we pride ourselves on promoting physical activity, both within our PE lessons and during lunchtime and afterschool activities.

The PE and School Sport premium from the government has been greatly received and we plan to use the funds wisely to foster the children's lifelong love of sport. Within school we have an action plan outlining how we wish to use the money, baseline data we are collecting and evidence to show the positive impact of this funding.

Number of pupils and PE and Sport Grant received	
Total number of pupils on roll	435 children
<b>Total amount of PE and Sport funding received</b>	<b>£19,500</b>

### Use of Funding 2020/21

The funding received from PE and Sport funding has enabled us to:

- Continue to be a member of the Bury School Sport Partnership which has involved participation in virtual school competitions and links to resources to access and share with children and staff during lockdown.
- When it was safe to do so, provide a scaled back offer of extra-curricular sports activities- Multisports club, Bike Ability, Balance bike.
- To ensure that children have access to appropriate equipment needed for PE curriculum.
- Provide children with opportunities to participate in sport and physical activity, both on school site and at home.
- Introduce 'Scrapstore Playpod' as a valuable lunchtime activity across the school.
- Further embed the PE curriculum and enrich this with intra-school competition.
- To further develop the use of Commando Joe within the PE curriculum.
- Develop cross curricular links, including PSHE & well-being, to ensure all children are 'healthy'.
- Use physical activity to support specific children in the classroom.
- To begin plans to install a daily mile track on the field.
- To develop a new PE uniform.

### Impact of Pupil Premium Grant Spending 2019/2020

*The funding has allowed us to see an improved sporting performance, increased participation and better promotion of health and well-being.*

During an un-precedented year we were proud that, during lockdown, several of our pupils completed fundraising, utilising their love of sport. We continued to provide varied PE provision and challenges, for children both at home and in school bubbles. This meant that on returning to school, many of the children's skills had been retained.

Upon finalisation of building work, we were able to begin to develop the hall as a PE space. This will continue as the children return to lessons indoors.

The use of Commando Joe supported children with the transition back into school in a class group- co-operating, negotiating and using resilience.

The Gym trail was successful in supporting individual children with specific needs, including- concentration, co-ordination and resilience.

Refreshing equipment allowed high quality delivery of the PE curriculum to continue.

2020/21			
Use of Funding	Specific Objective	Measurement of Impact	Approx. Cost
BSP SScO	To support BSP schools in CPD, organising competitions and providing specialist teachers to use.	Children enthused to participate in virtual challenges e.g. Virtual cricket & Cross Country.	£2300
Commando Joe	To encourage team work and range of physical activities in school.	All children developing team building and problem solving skills. Encouraging use of Rainbow values & skills for life.	£846
Super Sports Coaching (1hr after school multisports sessions for all KS2 Year group bubbles.)	To provide a Summer term enrichment program.	Children have developed and refreshed (post Covid) a range of skills – throwing, catching, striking, attacking, defending etc.	£2035
Bikeability	To encourage more pupils to be physically active.	Children develop gross motor skills which can be transferred to other sports and out of school activities. Children are encouraged to cycle as a way of staying active safely.	£1400
PE Equipment	To ensure the PE curriculum can be delivered with high quality outcomes for children.	Children develop, improve and perfect PE skills. Particularly in Games – ball skills.	£1068
Scrapstore	To encourage children to be physically and mentally active during lunchtimes.	Children are actively involved in play, problem solving and teamwork. Children are using rainbow values – resilient, active, ambitious, responsible, etc.	£907
Daily Mile Track (50% deposit)	To ensure children are active on a daily basis. (Contributing to the 60mins per day govt guidance.)	Children experience improved levels of fitness and 'health' both physically and mentally.	£11000

PE leader release time	To obtain quotes for Daily mile Track.  To source PE uniform.  To carry out pupil voice survey.	Daily mile track to be installed over Summer 2021.  New PE tops for September 2021. Improved PE and enrichment provision for 2021/22	1 day
		Total spend 20/21	

#### Action Points for 2021/22:

- To refresh Daily Mile with the new track in place
- To ensure Long Term curriculum continues and be embedded (with staff changes) and Commando Joe is part of this
- To audit PE equipment and resource appropriately, with attention to fixed hall equipment
- To audit and monitor teacher's subject knowledge & teaching of PE, providing teachers CPD, where necessary, to allow high quality PE lessons
- To ensure children are provided with a variety of extra curricular activities, some of which will signpost them to local clubs
- To continue the Sports Leader programme and ensure active lunchtimes
- To encourage less active children to take part in sport
- To provide extended Swimming provision in light of Covid19
- To develop the use of vocabulary during PE lessons
- To evidence PE in different year groups, using photographs, video, etc

Meeting national curriculum requirements for swimming and water safety 2020/2021 <b>(Completed using an online survey, as no swimming took place this year)</b>	School Percentage	Suffolk Average
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your children may swim in another year please report on their attainment on leaving Primary school.	72%	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Not possible to report	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No
