

Wishing our Abbots
Green families a safe
and happy summer
break!

What a rollercoaster of week...

Despite everything that we have been faced with, it has been great to feel a sense of positivity and new beginnings this week from us all.

I would like to thank our amazing FOAG as we launch new fundraising ideas, from bucket filling, second hand uniform to our beach day today, we really have shown how much we can pull together to make anything happen.

I continue to be incredibly proud of our staff and pupils that made our transition days happen. From quizzing new teachers, team building with marshmallows and spaghetti, to singing together again, we feel confident that our children are more than ready for their new class and teacher.

This week, we have finally been able to start our tradition of celebrating our Abbots Green Citizens, as a school, each class shared nominations and recognised the growth we show each day to our rainbow values.

With the summer holidays here, let us hold onto the important highlights from this week and year as we prepare for our new term in September.

I would like to personally wish everyone a restful, sunny, safe break, and very much look forward to coming back together on Friday 3rd September.

Happy Holidays!

Mrs Morrison
